Whereas upon the application of six and more freeholders residing in said town of West Bend for the laying out of a highway which said proposed highway is set forth in said application as follows: commencing at the ^{common} section corner of sections 8, 9, 16 & 17 Township 11 north of range 19 east running thence south on the common section line between sections 16 and 17 in said town of West Bend (with said section line as center thereof), through said sections 16 and 17, and running and continuing on the common section line between sec. 20 and 21 in said town of West Bend (with said section line as the center thereof) to the south east corner of the north $\frac{1}{2}$ of the north east quarter of the north east quarter of said section 20, where it meets the north end of a public highway situated on said line and which is now opened and used as such.

As the undersigned supervisors of said town did on the 26th of February A.D. 1911, make out a notice and fix therein a time and place at which we would meet and decide upon said application and did meet on the 27 day of February A.D. 1911, at ten o'clock in the forenoon of said day at the house of Geo. Bastian in the north west quarter of the north west quarter of section in said town, it being the time and place fixed by us in said notice, and said meeting having been adjourned by us to the 6th day of March A.D. 1911, at ten o'clock in the forenoon at the same place, public notice being duly given of said adjournment by us and notice thereof forthwith filed in the office of the Town clerk of said town: The undersigned did again meet at the adjourned time and place aforesaid and said adjourned meeting having been duly by us adjourned to the 13th day of March 1911 at 10 o'clock in the forenoon at the same place, public notice of which adjournment duly given by us, and notice thereof was forthwith filed in the office of the Town Clerk of said town, the undersigned did again meet at the adjourned time and place aforesaid and being duly satisfied by due proof that the notice required by law of said first meeting had been duly given as required by law previous to the time of said first meeting to all the occupants of the land through which said highway may pass by serving each of them personally with such notice or a copy thereof

33 left with ^{or} at the usual place of abode of each occupant of said land, and had also been posted up in three public places in said town as required by law 10 days before the time of our said meeting, and said adjournment above mentioned having been duly taken, and having made examination on said last adjourned day in the premises and heard any reasons that were offered for or against said application we did decide upon such application; and it being our opinion that the public good will thereby be promoted, we did decide to lay out such highway as herein after described.

Now therefore pursuant to such application we the said supervisors do hereby order and determine that a highway and the same is hereby laid out in said town as follows, to wit: Commencing at the common section corner of sections numbered 8, 9 16 & 17 of Township No. 11, north Range No. 19 east in said county and running thence south on the common section line between section 16 & 17 in said Town of West Bend (with said section line as the center thereof) through said section 16 & 17 and thence running and continuing south on the common section line between sections 20 & 21 in said town (with said section line as the center thereof) to the point where it meets, opens into and enters the public highway situated on said section line between said sections 20 & 21 and which is now opened and used as such, said highway to be of the uniform width of three rods, and is laid out of said width.
